Robert and his team were extremely professional. Their work is to a 5 Star standard and they take great pride in their work. They also take time to keep everything very clean and tidy. Would recommend them but hopefully in doing so they have time to do more work for me in the future.

We had a fantastic experience with Robert and his team. They arrived early every day and were very professional. They take great pride in their work and it is of a very high standard. I have recommended Painting in Colour to family and friends. Would definitely get them again for future work.

Very professional, flooring and belongings well protected with plastic and sealing tape. Accommodated priorities as needed and quick to complete to a high standard. Really nice guys. If I decide to redecorate in the future I'll be back to Painting in Colour.

Very clean and tidy painters. Robert will suggest small touches that you may not see (e.g. painting vents) which make for a nicer look to the finished look.
